Pastor’s Letter

For these people’s senses have become calloused. Matthew 13:9

Dear Sisters and Brothers in Christ:

Grace and Peace to you in the name of the Lord Jesus Christ.

Lent and Easter are early this year. Ash Wednesday is February 14 and Easter is April 1. As we anticipate the holy season of self-examination, repentance and forgiveness, I invite you to consider the spiritual calluses that have developed in your life.

When Jesus was teaching the parable of the sower, the disciples asked him why he taught in parables. Jesus gives an answer that is challenging: because the people have closed their ears, eyes and hearts to God’s kingdom. Matthew furthers Jesus’ comment by quoting Isaiah 6:9-10. The Common English Bible translates this verse as

For this people’s senses have become calloused, and they’ve become hard of hearing, and they’ve shut their eyes so that they won’t see with their eyes or hear with their ears or understand with their minds, and change their hearts and lives that I may heal them.

According to WEB MD, calluses are the thickening of the outer layer of skin and are painless. They develop anywhere there is repeated friction and they act as protection. As spiritual beings, we are not immune to the spiritual friction in our lives. As Christians, the main spiritual friction in our lives is sin. We develop ways to mitigate the pain of sin: distraction, entertainment, or avoidance. Once we have done this, we build up calloused senses.

On Sunday, February 18, FUMC will hold a Healing Service for spiritual calluses. I will anoint with oil and pray for healing for all who come. In addition, a basket of hand cream will be available as a prayer aid. Each time you moisturize your hands you can pray for God’s healing in your life. You can even take a tube of lotion to a friend or co-worker.

Jesus came that we might be healed to live holy lives before God and in the world. Be sure to some to worship on Sunday, February 18.

Christ’s Servant,

The Reverend Joseph A. Johnson

Richard (Dick) Stultz joined the staff here at First United Methodist Church in August. He grew up in Nashua, NH, attending local public schools. He attended Tufts University in Medford, MA, earning Bachelors degrees in both chemical engineering and music, and earned a Master of Sacred Music degree from Southern Methodist University in Dallas, TX.

Dick worked in both fields of endeavor, as a product development chemist, research group leader, and environmental coordinator at various locations for Bostik, Inc., retiring in 2006. At the same time, he served as organist and choir director at churches in Massachusetts, Pennsylvania, Michigan and Illinois. In 2008 he completed education at The Chicago School for Piano Technology, and now is the owner and technician for Stultz Piano Services, Inc. located here in Elmhurst.

“I am very happy playing organ here with this wonderfully musical staff and friendly congregation.”

Sharon Phillips ~ Church Administrator

After a brief sojourn in retirement, Sharon is happy to be part of the faith community at First Church and loves being back at work. She brings prior administrative experience in non-profit arts management as well as church administration. Previously, she served as the Director of Youth & Family Education at her home church, St. Pauls UCC in Chicago, and has enjoyed decades of work in Chicago’s professional off-Loop theatre as an actor and director, manager, and arts educator. Once upon a time, Sharon lived here in the western suburbs where she was the drama teacher & director at Addison Trail HS and was active with the Theatre of Western Springs. Her son Brendan Phillips was born at Central Dupage! Brendan and his wife Andarte live near her in Chicago’s west Rogers Park with her grandchildren Oliver (15) and Liga (9). Her stepdaughter Kathy Freise and son-in-law Mark Atkinson live in Beaver Dam, Virginia with her grown-up grandson Will Atkinson. Sharon considers Tulsa, Oklahoma her home-town, but after she came north to school at Beloit College in Wisconsin, she’s pretty much hung out in the Chicago area. And is very glad to be here.

A New Adult Study for Lent

Based on Jim Wallis’ book, America’s Original Sin, this Lenten Study on anti-racism will begin February 18 on Sunday mornings and February 21 on Wednesday evenings.

The five-week series will examine the historical context of racism in the United States during slavery, during Jim Crow reconstruction, and following the Civil Rights movement of the 1960s. Wallis does an excellent job of exposing the realities of racism to the teachings of Jesus. He call us to see our own raciem and challenges Christians to stand against it. Special videos will be used to introduce the class each week as well as to offer an introduction to each discussion. While participants aren’t required to read the book, it’s certainly encouraged! The series will be held in Applegate and will be led by Ed Miner.

All Church Retreat February 3

The Church Council is hosting this retreat for all church members on Saturday, February 3 from 9:00 am to 3:00 pm. Retreat leader is the Rev. Dr. Heather Lear, Director of Evangelism Ministries at the General Board of Discipleship. The purpose of the retreat is to assist FUMC in effectively reaching out to people in the greater Elmhurst community. Dr. Lear will help us explore the history and legacy of FUMC, our communal and individual theologies of why Jesus/Church, and current demographic information. With these tools, FUMC will begin a mapping process that will continue and build throughout the year.

GOD LOOKS AT OUR HEARTS, NOT OUR SKINS

Celebrating Martin Luther King, Jr. Day together were 13 of our First Church children and 6 guests. Through various activities and games we spent the morning remembering and rejoicing that God made and loves us all.

Martin Luther King Jr. taught us three things that we wanted to pass on to our children:

GOD MADE YOU SPECIAL
GOD LOVES EVERYONE
WITH GOD WE CAN KEEP OUR DREAMS AND HOPES ALIVE

Thank you to our wonderful helpers Nancy Goodner, Kristi Phipps, Anne Mathias and Emma Rogers.
We could not have had this event without your enthusiastic assistance.

DuPagePads Adds 12 New Supportive Housing Units

People Move from a Pad on the Floor To a Key in the Door!

A PADS Update from Marlene Stratton

For over 30 years of service, DuPagePads is the largest provider of services to those who are homeless in DuPage County. With your support, we were able to assist 383 people in obtaining a place to call "home" last year.

**Housing ends homelessness.** Recently, DuPagePads received funding for 12 new Supportive Housing apartment units, providing the opportunity to transform the lives of 12 chronically homeless individuals. These apartments not only give people a place to call “home,” but save taxpayer dollars. DuPagePads is recognized in DuPage County as the largest provider of Supportive Housing, now with 94 apartment units, for families and individuals who have been homeless for a year or longer and have a documented disability such as mental illness, physical disability or substance abuse. This housing not only provides safety and stability, but tenants also receive ongoing case management which keeps them focused on their life goals, improving their health, obtaining financially security and becoming productive members of their community. Successful at ending homelessness, 89% of Supportive Housing tenants have been in their housing for a year or longer. With clients no longer cycling through emergency rooms, detox centers and prisons, a cost saving occurs to the medical, mental health, substance abuse and criminal justice systems, making communities healthier and safer. Calculations show that last year these units saved taxpayers over $2.5 million alone, all while improving participants’ health.

**Transforming Apartments into “Homes”.** To help turn these apartments into homes, many organizations came together to furnish the units. The Assistance League of Chicagoland West supplied all 12 apartments with kitchen sets which included glassware, pots, pans, cooking utensils, cleaning supplies, a cookbook and small appliances like coffee pots and crockpots, all brand new. BMO Harris Bank donated $2,000 worth of bathroom supplies and accessories for the new apartments and Serta Simmons Bedding in Hoffman Estates, donated 12 new mattresses and 7 new box springs for clients to sleep.

**First Church joins numerous congregations in donating new and gently used furniture and household items:**

- The Church of Jesus Christ of Latter-Day Saints in Naperville
- Congregation Etz Chaim in Lombard
- Corpus Christi Catholic Church in Carol Stream
- Holy Cross Lutheran in Wheaton
- Lutheran Church of the Master in Carol Stream
- St. John’s Lutheran Church in Lombard
- Bethel United Church of Christ in Elmhurst
- First United Methodist Church in Elmhurst
- Immaculate Conception Parish in Elmhurst
- St. Andrew’s Episcopal Church in Downers Grove
- St. Thomas Mar Thoma Church of Chicago in Lombard
- Visitation Catholic Church in Elmhurst

**An Unforgettable Day —** Clients recall their feelings the day they moved in:

“When I put the key in the door for the first time, I was overwhelmed with many emotions: excitement, disbelief, happiness and lastly, pride,” –James

“Everywhere I looked in the apartment was a reminder that someone cared: from the bed to the microwave to the lamp. I just remember thinking I can’t believe this is mine.” –Emily
WINTER WARMING WRAPUP
By Ed Miner

On January 13, Northern Illinois Conference Reconciling United Methodists held their Winter Warming at First United Methodist Church of Arlington Heights. This annual event celebrates the inclusion and acceptance of our gay, lesbian, bisexual and transgender brothers and sister and their allies.

This year’s key-note presentation was made by Rev. M Barclay. Mis is the first openly transgender person ordained by the Northern Illinois Conference.

Their presentation introduced many of us to the topic of transgender people and people who are non-binary — neither male nor female.

They partner with local and national groups on a wide array of public policy issues. Meetings have included state and local candidates and issue-oriented speakers on a variety of topics.
